2 Salle de bains

Modern holiday apartment close to both beach and city

Halfway between **sandy beaches** and the culture pearl of Girona lies the holiday house of Can Garilla, consisting of 3 modern apartments. The country house is situated by itself, surrounded by nature and fields, yet with only 20 minutes to the beach and 15 minutes to Girona. This ideal location allows for a stress-free, relaxing holiday without losing the benefits that comes with living in the city. In addition to this, there is a **small, cozy village** near the holiday home, where you can pick up meat from the butcher, and use it with, for instance, the **Barbecue grill**.

As you walk through the **huge garden**, you will find the fenced, **luxurious pool area**. Besides the large 12x6 pool with varying depths that is shared with the other two apartments, there are various lounge chairs, tables, shade areas etc., so the stage is set for **optimal relaxation** in the **lovely Catalan sun** with the option of taking a dip in the **refreshing pool** at any given time. The garden also offers **several shaded areas** with seating areas, where you are always able to find a place in the beautiful, natural surroundings to read a book or whatever. There is furthermore a playground in the garden for the smaller ones in the holiday group, so they also can have fun and entertain themselves.

Each of the apartments also have their own **private terrace**, where you for instance can enjoy the evening meals in the light of the enchanting Catalan sunset. Other mentionable facilities in the holiday home could be the **large multipurpose room**, which has Table tennis, toys, flat screen TV, other games, etc., so there is always something to do in Can Garilla.

Llorens has room for 6 people in 3 cozy, modern double rooms. With the rooms come **2 modern bathrooms** with shower and a washing machine. The apartment furthermore has a well-equipped kitchen with dishwasher, refrigerator, freezer, dining table etc. and a living room with a sofa arrangement and TV. The living room has a garden view as well as direct access to the terrace. The house also has **WiFi Internet**.

The concept behind Can Garilla is clear: the idea is to create a modern environment without losing the essence of the **authentic Catalan feel**. This results in a perfect combination of modern and practical equipment as well as traditional Catalan features, such as the elegant, rustic furniture - which altogether contributes to you getting a **relaxing holiday** and an interesting, **cultural experience** in one package.

The friendly owners also live in a house on the grounds - you can make good use of this, as they will gladly answer your questions and help you with anything if you ask for it.
