Ferieboligen is a cosy rural apartment situated in a corner of the owners' farm, where they breed horses. The garden offers fully privacy, as it is closed to three sides and the fourth side faces the fields and with a nice glance of the Pyrenees in distance. In 2007 the owners constructed a spectacular "cave-like" swimming pool with a spa-function , giving you a pleasant shelter on the hot summer days.

The house has 3 bedrooms, two with double beds and one with single beds. Furthermore, there is a bathroom and in one of the rooms, there is a toilet and a zinc. Furthermore, there is a kitchen/common room with stove, freezer/fridge, dining table and a sofa corner with TV. The house has Air condition. The owners' WIFI can be caught some spots in the garden and at the terrace.

From the kitchen, you have direct access to the covered, 1. floor terrace with a fantastic view over the landscape; the perfect place to enjoy your meals.

From the terrace, there is a stairway down to the child friendly garden with swings and room for ballgames. The swimming pool, protected with a fence, is situated a few steps down, and it is beautifully integrated in the natural rock, which have always been there. Have a plunge or sit on the underwater bench and enjoy the aqua-massage. In the far end of the garden, there is another covered terrace with table and barbecue.

Ferieboligen is a perfect place to relax in the fresh air or as point of departure to explore Catalonia.
