

H133 Casa Alerny – Floor Plan description

Casa Alerny is beautifully situated overlooking the landscape. The ground floor is unused, so the holiday home is situated on first- and second floor. There are 7-8 steps up to the main floor, where you find 4 bedrooms, the very big terrace (in the Summer with a big table so you can eat up to 15 persons together) and all the common areas (kitchen, dining area, sitting room), all in one level.

On second floor, there are 3 more bedrooms, which can be closed if you are a smaller group renting the house.

Here, you can see the distribution of facilities and bedrooms, with possible extra beds (supplement apply) indicated:
