## THE FIRST FLOOR BEDROOMS:

### FIDARA BEDROOM

A very special room, also located on the ground floor. With a Catalan arched ceiling and direct access to one of the prettiest corners of the exterior of the house, close to the house's well.

### CARUXINA BEDROOM

On the first floor, facing the house's main façade. The power and brightness of the Ses Garites surroundings burst into the room through its Gothic window, inviting you to contemplate its beauty.

### BRUGULIA BEDROOM

One of the most characteristic rooms. Situated on the first floor with a terrace next to the top of the well and views of the olive grove. On this privileged terrace, breakfast or a night cap almost become an historic ritual. This room has fireplace.

### HORMAFINA BEDROOM

This room is also on the first floor, facing north with a long terrace where the sun only reaches at the end of the day and is probably the house's coolest and quietest room. This room has fireplace.

*THE FIRST FLOOR SUITE:*

**MISETA SUITE**

Located on the first floor next to the main lounge, with views of the swimming pool and barbecue area. It has two double bedrooms and a family living room. Its complete bathroom and wardrobes give you the comforts needed for the longer stay.
